OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 10 October 1962

1. (Unclassified - JSW) Following Carl Marcy's call to Mr. Helms and subsequent discussion with the DCI, advised Marcy that any information on this subject would have to come from the Department of State. He indicated he was planning to call Secretary Rusk since he had been bounced by Assistant Secretary Martin to us and we were bouncing it back. Per DCI instruction, the substance of the above was made available to Senator Russell with no reaction.

2. (Internal Use Only - JSW) The Director, accompanied by John S. Warner, met with the CIA Subcommittee of House Appropriations. See Memorandum for the Record.
